

More Drama: Tonto Dikeh and Olakunle Churchill come for each other on Instagram over 'unpaid rent' in Ghana Enstranged celebrity couple, Tonto Dikeh and Olakunle Churchill are back on social media with more drama! The couple whose bitter separation was widely publicised are at it again. This time, an IG account called out Olakunle Churchill saying, 'stop running away from paying rent that you owe to a vulnerable widow and come and settle it and return everything that you took away from a house that was given to you and your @tontolet furnished to rent if you cannot afford to pay rent at plush Trassaco (in Accra), why not get something according to your pocket?'. Immediately, Olakunle responded with documents and facts and also warned his ex-wife, Tonto Dikeh to stay away from him saying, 'my interest is my son, whom you have deprived me of seeing 14 months before the court case. I was able to see my son after the court granted me of sharing custody which was before his birthday. You and your lawyer have refused to oblige to court orders 4 times including his last holiday. Please Channel this same energy on responding to court order'. Tonto Dikeh has also responded to the drama in her own way, 'If you have any problem with my friend or Anyone I know Or knew pls don't contact me. I do want to get involved in anyone bullHo I. Work out your problems yourself!! Too happy to be dragged back into the pit With Rubbish' she wrote. See all the drama below... With regards to the post on instablog9ja, about someone calling me out, i feel it's baseless and a way to pull my personality down. We have more than 6 ongoing projects within that axis. Ghana is not my country as such my staff and expatriates are occupying four buildings and the manager's name is Ralph Codjoe ?+233 20 644 4724? If at all anyone tried to reach me based on anything concerning Ghana because I relocated because of family over three years ago. AS FOR YOU MAMA KING, THOUGHT WE HAVE MOVED ON AND YOU ARE NOT MY PA NEITHER MY SECRETARY HENCEFORTH DESIST FROM ANYTHING THAT CONCERNS ME. LASTLY YOU SHOULD KNOW BY NOW WITH ALL YOU HAVE TRIED, THAT NO ONE CAN PULL A MAN DOWN ESPECIALLY ONE WITH THE GRACE OF GOD. My interest is my son, whom you have deprived me of seeing 14 months before the court case. I was able to see my son after the court granted me of sharing custody which was before his birthday. You and your lawyer have refused to oblige to court orders 4 times including his last holiday. Please Channel this same energy on responding to court order. #christainmother?
